Independent Auditor's Report on the Financial Statements and Supplementary Information

To the Associated Students Council
Associated Students of San Diego State University
San Diego, CA

Report on the Financial Statements

We have audited the accompanying financial statements of Associated Students of San Diego State University, a component unit of San Diego State University, which comprise the statements of financial position as of June 30, 2013 and 2012, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP); this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Associated Students of San Diego State University as of June 30, 2013 and 2012, and the results of its operations and its cash flows for the years then ended in accordance with U.S. GAAP.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the financial statements taken as a whole. The schedules, listed in the table of contents as supplementary information, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information, which is presented in accordance with California State University reporting requirements, is the responsibility of management, was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements, has been subjected to the auditing procedures applied in the audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

A handwritten signature in black ink that reads "McGladrey LLP". The signature is written in a cursive, flowing style.

Associated Students of San Diego State University

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies

Nature of operations: Associated Students of San Diego State University (the Organization or Associated Students) is a California not-for-profit auxiliary organization of The California State University (CSU), organized and operated in accordance with the Education Code of the State of California and the California Code of Regulations, and is a component unit of San Diego State University (the University). The function of the Organization is to provide essential activities that are an integral part of the University's campus programs. Such activities include student government, cultural programs and various other services.

The operations of the Organization combine the activities of two unrestricted funds: General Activities and Student Union. The General Activities fund accounts for activities provided by the student government and its boards and committees, and student organizations. The Student Union fund accounts for the facilities, programs and services provided by the Associated Students, which include Cultural Arts, Aztec Center, Viejas Arena, Aztec Recreation, Mission Bay Aquatic Center, Children's Center, KCR Radio, etc. The Organization extends credit to the University and its auxiliary organizations in the form of unsecured receivables. The Organization also receives contributions from the University and its auxiliary organizations to support the Organization's operations.

Affiliated organizations: The Organization is related to other auxiliaries of the University, including Aztec Shops, Ltd. (Shops), The Campanile Foundation and San Diego State University Research Foundation. These auxiliaries and the University periodically provide various services for one another and collaborate on projects.

A summary of significant accounting policies is as follows:

Basis of accounting and reporting: The financial statements of the Organization have been prepared in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, *Not-for-Profit Entities, Financial Statements of Not-for-Profit Organizations*. At June 30, 2013 and 2012, all of the Organization's net assets were classified as unrestricted. Unrestricted net assets represent funds that are fully available, at the discretion of management and the Associated Students Council, for the Organization to utilize in any of its programs or services. In order to ensure observance of limitations and possible restrictions placed on the use of available resources, the accounts of the Organization are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Funds that have similar objectives and characteristics have been combined into fund groups. Amounts due to or from other funds are eliminated in total in the financial statements.

Contributions, including unconditional promises to give (pledges), are recognized in the year the promise is made, as opposed to when assets are received. Contributions with donor-imposed restrictions are reported as temporarily or permanently restricted contributions. Temporarily restricted net assets are reclassified as unrestricted net assets at such time as the Organization has fulfilled the donor-imposed restriction. Contributions where donor-imposed restrictions both arose and expired in the same fiscal year are reported as unrestricted contributions. As of and for the years ended June 30, 2013 and 2012, all contributions received by the Organization were classified as unrestricted and are included in the applicable activity in program revenue and user fees.

Noncash contributions are recorded at their fair value at the date of donation as established by either appraisal or the value anticipated in the subsequent resale of an item.

Associated Students of San Diego State University

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies (Continued)

Allocation of expenses: The statements of activities summarize expenses according to program costs and other activities. Included in the program costs and other activities are the allocable depreciation, amortization and gains or losses from the disposal of equipment. All other expenses are allocated based upon direct costs related to each program. Indirect costs are included in general and administrative expenses. In the statements of activities, the expenses related to depreciation, amortization and gain or loss from the disposal of equipment have been allocated among the programs and activities presented for the years ended June 30, as follows:

	2013		2012	
	Depreciation and Amortization	Loss From Disposal of Equipment	Depreciation and Amortization	Loss From Disposal of Equipment
General and administrative	\$ 194,914	\$ -	\$ 196,623	\$ -
Program expenses:				
Aztec Recreation	187,112	1,616	204,801	2,139
Children's Center	32,899	-	32,795	155
College councils	-	-	777	-
Cultural Arts	226	-	642	-
Daily Aztec	8,270	-	10,260	-
KCR Radio	977	-	990	-
Imperial Valley Campus	2,258	-	2,393	-
Mission Bay Aquatic Center	62,534	-	62,855	-
Student government	239	-	655	-
Student organizations	-	-	156	-
Facility expenses:				
Aztec Center/Scripps Cottage	45,124	3,073	56,539	789
Viejas Arena	53,359	-	50,445	-
	<u>\$ 587,912</u>	<u>\$ 4,689</u>	<u>\$ 619,931</u>	<u>\$ 3,083</u>

Cash, certificates of deposit and cash held for others, student organizations: The Organization maintains accounts with a financial institution with funds insured by the Federal Deposit Insurance Corporation (FDIC). The Organization's accounts at this institution may, at times, exceed FDIC-insured limits. The Organization has not experienced any losses in such accounts.

Trade accounts receivable: Trade and other accounts receivable primarily consist of amounts due from customers in the normal course of the Organization's operations. Trade receivables are carried at original invoice amount less an estimate made for doubtful receivables based on a monthly review of all outstanding amounts. Management determines the allowance for doubtful accounts by identifying troubled accounts and by using historical experience applied to an aging of accounts. Trade receivables are written off when deemed uncollectible. Total bad debt expense for the years ended June 30, 2013 and 2012 amounted to approximately \$26,000 and \$30,000, respectively. Recoveries of trade receivables previously written off are recorded when received. The Organization does not charge interest on past due accounts.

Associated Students of San Diego State University

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies (Continued)

Short-term investments and certificates of deposit: Investments, including Local Agency Investment Fund (LAIF), are recorded at their fair value in the statements of financial position, with the exception of certificates of deposit (CD), which are recorded at cost. Investment income or losses (including realized gains and losses on investments, interest and dividends) are included in the statements of activities as increases or decreases in investment income, net.

Building improvements and equipment: Building improvements and equipment are recorded at cost, if purchased, or at the fair value of the contribution, if donated. Building improvements and equipment are depreciated using the straight-line method over the estimated useful lives of the underlying assets, generally five to 15 years. Improvements on leased facilities and facilities under operating agreements are amortized over the lesser of the related lease or operating agreement, or the estimated asset lives.

Repairs and maintenance to buildings leased from the trustees of CSU are considered expenditures on behalf of the University and, accordingly, are expensed in the year incurred.

Long-lived assets: The Organization evaluates the carrying value of long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of such assets may not be recoverable. The estimated future cash flows are based upon, among other things, assumptions about expected future operating performance and may differ from actual cash flows. Long-lived assets evaluated for impairment are grouped with other assets to the lowest level for which identifiable cash flows are largely independent of the cash flows of other groups of assets and liabilities. If the sum of the projected future undiscounted cash flows (excluding interest) is less than the carrying value of the assets, the assets will be written down to the estimated fair value in the period in which the determination is made. Management has determined that no impairment of long-lived assets currently exists.

Vacation and sick leave policy: The Organization accrues earned vacation based on whether the employee is salaried or hourly and the employee's length of service. Salaried and hourly employees can accrue a maximum of between 272 and 385 hours based on the length of service. Accrued vacation is calculated at the employee's current wage rate. Vacation liabilities of approximately \$284,000 and \$283,000 are included in accrued liabilities at June 30, 2013 and 2012, respectively. The Organization does not accrue for sick leave as the employee is not compensated for unused hours incurred.

Retirement and postretirement healthcare benefits: The Organization is a member of the California Public Employees' Retirement System (PERS), a multiemployer pension system that provides a contributory defined-benefit pension and postretirement benefit program for its salaried employees. PERS functions as an investment and administrative agent for participating entities within California.

The PERS plan provides retirement, survivor, and death and disability benefits based upon employees' years of service, age and final compensation, and also provides contributions toward medical insurance. Vesting occurs after five years of credited service. Employees who retire at or after age 50 with five or more years of service are entitled to a retirement benefit, payable monthly for the remainder of their lives, and may elect to continue payment of participant premiums for medical benefit coverage. Several survivor benefit options are available that reduce a retiree's unmodified benefit.

PERS issues a publicly available comprehensive annual financial report that includes financial statements and required supplementary information. Copies of the PERS annual financial report may be obtained from the California Public Employees' Retirement System Executive Office, 400 P Street, Sacramento, CA 95814.

Associated Students of San Diego State University

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies (Continued)

While actuarial information is not available for the Organization, the Organization's pension plan information is included in the University's financial statements on an aggregate basis. The University's financial statements can be obtained from CSU.

The Organization also provides certain postretirement healthcare benefits for all retired employees that meet eligibility requirements through contracts with PERS. The Organization's share of the estimated healthcare costs that will be paid after retirement is generally being accrued by charges to expense over the employees' active service periods to the dates they are fully eligible for benefits.

The Organization obtains an actuarial valuation of the accumulated postretirement health care obligations on a periodic basis (see Note 5).

Tax deferred annuity plan: The Organization sponsors a defined-contribution retirement plan for eligible hourly employees. For the years ended June 30, 2013 and 2012, the Organization contributed 7 percent of the compensation of qualified employees, amounting to approximately \$136,000 and \$131,000, respectively.

Revenue recognition: Activity fees and student union fees are assessed upon student registration. Aztec Recreation fees are primarily assessed as monthly membership fees, which provide students access to recreational facilities operated by the Organization. Aztec Recreation members who choose the option to pay monthly by electronic funds transfer must make a four-month membership commitment. Revenue from the Children's Center is assessed monthly and recognized as services are provided. Daily Aztec revenues are generated from advertising and are recognized as the advertisements are published. Mission Bay Aquatic Center revenues are generated from program participants' fees and recognized in the period that the services are provided. Aztec Center/Scripps Cottage fees are earned from subleased space and on a per-event basis. Viejas Arena revenues are earned at the time events are held.

Included in facility revenues and user fees, the Organization has an exclusive license agreement with Shops that expired on September 30, 2013. The agreement grants Shops an exclusive license to conduct concessions for food, beverages and novelty items bearing the imprint or emblem of the University in the Organization's venues on the campus. The license requires monthly license fees based on various percentages of adjusted gross receipts, as defined, and amounted to approximately \$283,000 and \$361,000 during the years ended June 30, 2013 and 2012, respectively.

Deferred revenue: The Organization recognizes revenue related to student activity fees, student program fees and sponsorships during the semester or as the programs and sponsorships are provided. Accordingly, certain student activity fees, student program fees and sponsorships received in advance of the semester or prior to the program are included in deferred revenue.

Use of estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. These estimates include assessing the collectibility of accounts receivable, the lives and methods for recording depreciation and amortization on property, improvements and equipment, and assumptions used to calculate accrued employee benefits and accrued pension costs. Actual results could differ from the estimates used by management.

Associated Students of San Diego State University

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies (Continued)

Subsequent events: The Organization has evaluated subsequent events through September 5, 2013, the date the financial statements were available to be issued, and has determined that there were no subsequent events to recognize in these financial statements.

Income taxes: The Organization adopted the provisions of ASC 740, *Accounting for Uncertainty in Income Taxes*. The Organization files a Form 990 (Return of Organization Exempt from Income Tax) annually. When these returns are filed, it is highly certain that some positions taken would be sustained upon examination by the taxing authorities, while others are subject to uncertainty about the merits of the tax position taken or the amount of the position that would ultimately be sustained. Examples of tax positions common to the Organization include such matters as the tax-exempt status of each entity and various positions relative to potential sources of unrelated business taxable income (UBIT). UBIT is reported on Form 990-T, as appropriate. The benefit of a tax position is recognized in the financial statements in the period during which, based on all available evidence, management believes it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any.

Tax positions are not offset or aggregated with other positions. Tax positions that meet the more-likely-than-not recognition threshold are measured as the largest amount of tax benefit that is more than 50 percent likely to be realized on settlement with the applicable taxing authority. The portion of the benefits associated with tax positions taken that exceeds the amount measured as described above is reflected as a liability for unrecognized tax benefits in the accompanying statements of financial position, along with any associated interest and penalties that would be payable to the taxing authorities upon examination. Upon adoption and as of June 30, 2013, the Organization has addressed uncertainty in its income tax position, and there are no unrecognized/derecognized tax benefits requiring an accrual.

Forms 990 and 990-T filed by the Organization are subject to examination by the IRS up to three years from the extended due date of each return. Management believes Forms 990 and 990-T have been filed appropriately. Forms 990 and 990-T filed by the Organization are generally no longer subject to examination for the fiscal years ended June 30, 2008 and prior.

Tax-exempt status: The Organization is exempt from federal and state income taxes. In order to maintain that status, the Organization is precluded from making certain expenditures, principally in support of political parties. Management believes that no such expenditures have been made.

Unrelated business income tax: The Tax Reform Act of 1969 imposes a corporate income tax on the UBIT of an otherwise tax-exempt organization. A provision, if necessary, for applicable federal and state income taxes is made in accordance with these statutes. There was no income tax expense related to UBIT for the years ended June 30, 2013 or 2012.

Associated Students of San Diego State University

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies (Continued)

Recent accounting pronouncement: In October 2012, the FASB issued guidance that requires a not-for-profit entity to classify cash receipts from the sale of donated financial assets consistently with cash donations received in the statement of cash flows if those cash receipts were from the sale of donated financial assets that upon receipt were directed without any not-for-profit entity-imposed limitations for sale and were converted nearly immediately into cash. Accordingly, the cash receipts from the sale of those financial assets should be classified as cash inflows from operating activities, unless the donor restricted the use of the contributed resources to long-term purposes, in which case those cash receipts should be classified as cash flows from financing activities. Otherwise, cash receipts from the sale of donated financial assets should be classified as cash flows from investing activities. This guidance is effective prospectively for fiscal years, and interim periods within those years, beginning after June 15, 2013. The Organization is currently evaluating the impact of this amendment on the financial statements.

Reclassification: Certain items on the financial statements as of and for the year ended June 30, 2012 have been reclassified, with no effect on total net assets or change in net assets as of and for the year ended June 30, 2012, to be consistent with the classifications adopted as of and for the year ended June 30, 2013.

Note 2. Short-Term Investments, CDs and Fair Value Measurements

Short-term investments and CDs consisted of the following at June 30:

	2013	2012
CDs:		
Current	\$ 348,000	\$ 198,000
Noncurrent	795,000	447,000
	<u>1,143,000</u>	<u>645,000</u>
Investments, current:		
LAIF	12,723,841	10,189,877
GNMA	835	1,384
	<u>12,724,676</u>	<u>10,191,261</u>
	<u>\$ 13,867,676</u>	<u>\$ 10,836,261</u>

Investment income, including income from CDs, consisted of approximately \$49,000 and \$68,000 for the years ended June 30, 2013 and 2012, respectively. There was no unrealized income or loss on investments as of June 30, 2013 or 2012.

Fair value measurements: LAIF is an investment pool managed by the California State Treasurer (the State). LAIF's investments are short term and follow the investment requirements of the State. LAIF is allowed by state statutes, bond resolutions and investment policy resolutions to invest in United States government securities, federal agency securities, negotiable CDs, bankers' acceptances, commercial paper, corporate bonds, bank notes, other debt securities, repurchase agreements, reverse repurchase agreements and other investments.

Associated Students of San Diego State University

Notes to Financial Statements

Note 2. Short-Term Investments, CDs and Fair Value Measurements (Continued)

Investments are presented in the financial statements at fair value in accordance with generally accepted accounting principles. The fair value of securities in the State's pooled investment program generally is based on quoted market prices. The State's Office performs a quarterly fair market valuation of the pooled investment program portfolio. In addition, the State's Office performs a monthly fair market valuation of all securities held against carrying cost. As of June 30, 2013 and 2012, the weighted-average maturity of the securities in the pooled investment program administered by the State's Office was approximately 278 days and 270 days, respectively. Weighted-average maturity is the average number of days, given a dollar-weighted value of individual investments, that the securities in the portfolio have remaining from evaluation date to stated maturity. The default credit risk of LAIF is considered minimal.

The Pooled Money Investment Board (the Board) provides oversight of the State's pooled investment program. The purpose of the Board is to design an effective cash management and investment program, using all monies flowing through the State's Office bank accounts and keeping all available funds invested in a manner consistent with the goals of safety, liquidity and yield. The Board comprises the State Treasurer as chair, the State Controller and the Director of Finance. This Board designates the amounts of money available for investment. The State is charged with making the actual investment transactions for this program. This investment program is not registered with the Securities and Exchange Commission as an investment company.

ASC 820 establishes a three-tier fair value hierarchy that prioritizes the inputs used in measuring fair value as follows:

- Level 1: Observable inputs such as quoted market prices in active markets.
- Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly.
- Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

Level 3 classifications currently include pooled funds that include multiple investments in which the Organization does not have individual ownership of the specific assets and the Organization has an interest in the pooled investment. For these pooled investments, there is no daily pricing on an active exchange but where a substantial portion of a fund's fair value could be determined based on quoted market prices of underlying investments held by the fund and the estimated fair values of certain investments of the underlying investment pool, which may include private placements and other securities for which prices are not readily available, and are determined by the State or sponsor of the respective other investment pool and may not reflect amounts that could be realized upon immediate sale, nor amounts that ultimately may be realized.

As of June 30, 2013 and 2012, the Organization's investments in LAIF of \$12,723,841 and \$10,189,877, respectively, are categorized as Level 3 investments and the Government National Mortgage Association (GNMA) investments of \$835 and \$1,384, respectively, are categorized as Level 2. There were no transfers between the different levels for the years ended June 30, 2013 or 2012.

Notes to Financial Statements

Note 2. Short-Term Investments, CDs and Fair Value Measurements (Continued)

The following table reflects a reconciliation of beginning and ending balances for the Organization's total investments in LAIF:

	2013	2012
Beginning balance	\$ 10,189,877	\$ 8,455,837
Total realized and unrealized gains, net, included in change in net assets	33,964	34,040
Net additions, purchases, sales and maturities	2,500,000	1,700,000
Ending balance	<u>\$ 12,723,841</u>	<u>\$ 10,189,877</u>

Note 3. Receivables, Long-Term Debt, Long-Term Note and Related Affiliate Balances

The Organization provides services to and receives reimbursements from other auxiliaries of the University, primarily for the rental of facilities in which the Organization operates. In addition, the Organization purchases goods and services from, and may make reimbursements to, other auxiliaries of the University.

The Organization recorded revenues for services rendered from auxiliaries during the years ended June 30, as follows:

	2013	2012
The Campanile Foundation	\$ 208,621	\$ 127,733
Aztec Shops, Ltd.	489,691	530,076
San Diego State University Research Foundation	384,060	303,154
San Diego State University	2,094,492	2,252,261
	<u>\$ 3,176,864</u>	<u>\$ 3,213,224</u>

The Organization recorded expenses for services received to auxiliaries during the years ended June 30, as follows:

	2013	2012
The Campanile Foundation	\$ 30,685	\$ 197,570
Aztec Shops, Ltd.	241,500	235,144
San Diego State University Research Foundation	355,077	251,577
San Diego State University	1,240,469	1,627,025
	<u>\$ 1,867,731</u>	<u>\$ 2,311,316</u>

The Campanile Foundation	2,073	1%	-	
San Diego State University Research Foundation	857	1%	71,335	9%
San Diego State University	208,412	35%	241,877	30%
	592,638		794,721	
Less allowance for doubtful accounts	17,370		15,576	
	<u>\$ 575,268</u>		<u>\$ 779,145</u>	

The Organization entered into a memorandum of understanding entered on July 1, 2010 to lease signage space to KPBS at a rate of \$2,300 per month. The memorandum of understanding expired on June 30, 2013. As of June 30, 2013 and 2012, the Organization had no outstanding receivable owed from KPBS as the memorandum has expired and was not renewed.

As of June 30, 2013, accounts payable and accrued liabilities include approximately \$12,000 owed to Shops, approximately \$1,000 owed to The Campanile Foundation, and approximately \$69,000 owed to the University.

As of June 30, 2012, accounts payable and accrued liabilities include approximately \$8,000 owed to Shops, approximately \$11,000 owed to The Campanile Foundation, and approximately \$62,000 owed to the University.

At June 30, 2013 and 2012, the Organization was holding funds for various student organizations in the amount of \$107,232 and \$1,279, respectively. The Organization has recorded a liability for these funds held for others and has classified the related cash as cash held for others, student organizations in the statements of financial position.

Long-term debt: On June 30, 2010, the Organization entered into a loan agreement with the University to finance implementation of Associated Students-approved Green Love Projects, which provided for borrowings of \$600,000 bearing interest of 3.5 percent per annum. The agreement requires annual payments of \$132,000, inclusive of interest, for four years beginning on January 1, 2011 and one annual payment of \$124,618, inclusive of interest, in the final year of the agreement. The agreement was due to expire on January 1, 2015. The Organization paid off the balance in the current year prior to its maturity date.

Associated Students of San Diego State University

Notes to Financial Statements

Note 3. Receivables, Long-Term Debt, Long-Term Note and Related Affiliate Balances (Continued)

Long-term notes receivable: On June 30, 2009, a vendor purchased a boat from the Organization and the Organization executed a noninterest-bearing promissory note in the amount of approximately \$30,000 commencing February 15, 2010. The promissory note requires monthly payments of \$200 for the first six months and monthly payments of approximately \$500 thereafter. The Organization retains ownership of the boat until the boat is paid in full. During the years ended June 30, 2013 and 2012, the Organization received payments of approximately \$2,750 and \$4,750, respectively. The outstanding balance of the note receivable as of June 30, 2013 and 2012 was \$13,675 and \$16,425, respectively.

On June 30, 2011, a vendor purchased a boat from the Organization and the Organization executed a noninterest-bearing promissory note in the amount of approximately \$9,000 commencing July 15, 2011. The promissory note requires monthly payments of \$250 for 36 months and a payment of the remaining balance is due on the 37th month. The Organization retains ownership of the boat until the boat is paid in full. During the years ended June 30, 2013 and 2012, the Organization received payments of approximately \$1,750 and \$3,000, respectively. The outstanding balance of the note receivable as of June 30, 2013 and 2012 was \$4,283 and \$6,033, respectively.

Future payments from notes receivable at June 30, 2013 are as follows:

<u>Years Ending June 30,</u>	<u>Amount</u>
2014	\$ 16,500
2015	1,458
	<u>\$ 17,958</u>

Note 4. Building Improvements and Equipment

Building improvements in leased facilities and equipment consisted of the following at June 30:

	<u>2013</u>	<u>2012</u>
Building improvements	\$ 576,648	\$ 576,648
Leasehold improvements	2,860,175	2,423,414
Equipment	<u>5,465,252</u>	<u>5,419,404</u>
	8,902,075	8,419,466
Less accumulated depreciation and amortization	(5,540,350)	(5,193,657)
Construction in process	-	340,064
	<u>\$ 3,361,725</u>	<u>\$ 3,565,873</u>

Note 5. PERS Benefit Plans

The Organization contracts with PERS to provide its salaried employees retirement and disability benefits, which are paid by the State of California. In addition, employee group health insurance coverage (other) is obtained through PERS, and the contract requires the Organization to pay a minimum portion of the health insurance premiums of retirees after certain required periods of employment. Through June 30, 2003, the PERS retirement and disability plan was an agent multiemployer retirement plan.

Associated Students of San Diego State University

Notes to Financial Statements

Note 5. PERS Benefit Plans (Continued)

Effective July 1, 2003, the Organization began participating in a PERS cost-sharing multiemployer pension plan, whereby other entities with benefits similar to the Organization participate in the same cost-sharing plan. At the date the Organization began participating in the cost-sharing plan, a liability was determined by PERS for each of the cost-sharing plan participants, called a "side-fund liability," which was established to account for each Organization's share of the pool's unfunded liability. The side-fund liability is calculated by PERS annually and includes liability calculations for the subsequent two years using estimated employer payroll and estimated return on plan assets.

The following table sets forth the calculation of the Organization's side-fund liability as of June 30:

	Other Benefits	
	2013	2012
Side-fund liability at beginning of year	\$ 294,183	\$ 319,116
Service cost	224,806	209,751
Actual contributions	(276,894)	(262,532)
Amount allocated to interest on side-fund liability	22,933	27,848
Side-fund liability at end of year	<u>\$ 265,028</u>	<u>\$ 294,183</u>

Service cost was calculated using 11.0 percent and 10.9 percent of actual payroll for the years ended June 30, 2013 and 2012, respectively. Contribution rates to PERS were 13.6 percent of actual payroll for the years ended June 30, 2013 and 2012. Interest on side-fund earnings was calculated using PERS actual investment return, net of fees of 0 percent and 20 percent for the years ended June 30, 2013 and 2012, respectively. Actual payroll was \$1,984,060 and \$1,877,926 for the years ended June 30, 2013 and 2012, respectively.

Postretirement health care benefit plan: In addition, the Organization contracts with PERS to provide its salaried employees group health insurance through PERS under a postretirement health care benefit plan. The contract requires the Organization to pay a minimum portion of the health insurance premiums of retirees after certain required periods of employment. The postretirement health care benefit plan requires retirees and active employees to pay a portion of the monthly health insurance premium cost. For the years ended June 30, 2013 and 2012, the Organization paid employees' health insurance premiums as they came due.

Associated Students of San Diego State University

Notes to Financial Statements

Note 5. PERS Benefit Plans (Continued)

The following table sets forth the funded status of the postretirement health care benefits and the amounts recognized in the accompanying statements of financial position as of June 30:

	Other Benefits	
	2013	2012
Projected benefit obligation	\$ 2,059,928	\$ 1,944,002
Plan assets, at fair value	-	-
Deficiency of plan assets (under) projected benefit obligation	(2,059,928)	(1,944,002)
Accrued employee benefit cost	\$ (2,059,928)	\$ (1,944,002)
Benefit cost	\$ 191,528	\$ 176,352
Employer contribution	\$ 50,256	\$ 51,128

Weighted-average assumptions used in the computation of the health care premiums as of June 30, 2013 and 2012 include a discount rate of 4.0 percent.

The Organization estimates that its premiums for postretirement health care benefits will be approximately \$211,000 for the year ending June 30, 2014.

Note 6. Commitments and Contingencies

Operating agreements and leases: Under a master operating agreement, which expires on June 30, 2014 and includes two five-year extension options, the Organization operates the Aztec Center, Viejas Arena, Aztec Recreation Center, Aquaplex and Children's Center for the benefit of the student body on behalf of the University. The use of the facilities are governed by the terms of the agreement, and the agreement requires the Organization to promote, staff, insure, repair, maintain and improve the facilities when needed, and cover the cost of utilities program expenses, including the costs to operate these facilities. For the years ended June 30, 2013 and 2012, the Organization incurred approximately \$1,625,000 and \$1,717,000, respectively, of employee-related costs, insurance, repair, maintenance, facility improvements and utilities costs, which are included in the programs' expenses and deductions and facility expenses.

Under a separate master operating agreement, which expires on June 30, 2014 and includes two five-year extension options, the Organization operates the Open Air Theatre, Scripps Cottage, Daily Aztec and a portion of the Peterson Gym for the benefit of the student body on behalf of the University. The use of the facilities is governed by the terms of the agreement, and the agreement requires the Organization to promote, staff, insure, repair, maintain and improve the facilities when needed, and cover the cost of utilities program expenses, including the costs to operate these facilities. For the years ended June 30, 2013 and 2012, the Organization incurred approximately \$285,000 and \$308,000, respectively, of employee-related costs, insurance, repair, maintenance, facility improvements and utilities costs, which are included in the programs' expenses and deductions and facility expenses.

Associated Students of San Diego State University

Notes to Financial Statements

Note 6. Commitments and Contingencies (Continued)

The Organization operates the Mission Bay Aquatic Center for the benefit of the student body on behalf of the University and the community of the City of San Diego. During 2009 the Organization amended its contract and entered into a long-term agreement with the City of San Diego for the Mission Bay Aquatic Center. The operating agreement runs through August 31, 2023, has a 10-year renewal option and requires payment of an annual fee based on gross income from certain activities, as defined in the agreement, conducted during the previous 12 months. The use of the facilities is governed by the terms of the agreement, and the agreement requires the Organization to promote, staff, insure, repair, maintain and improve the facility when needed, and cover the cost of utilities. For the years ended June 30, 2013 and 2012, the Organization incurred approximately \$116,000 and \$103,000, respectively, of employee-related costs, insurance, repair, maintenance and utilities costs, which are included in the program's expenses and deductions.

In a prior year, the Organization entered into a usage agreement for certain athletic facilities owned by the University for the purpose of conducting intramural programs for students through June 2020. The usage fee charge is negotiated annually, by July 1 for the upcoming year. The Organization paid \$20,000 to the University in each of the years ended June 30, 2013 and 2012, which was recorded as a component of Aztec Recreation program expenses.

The Organization leases administrative space under a master lease agreement from the University and recognized rent expense of approximately \$149,000 during each of the years ended June 30, 2013 and 2012. The Organization recognized approximately \$56,000 of rent expense under a parking lot lease with the University during the years ended June 30, 2013 and 2012. The approximate future minimum lease payments due under noncancelable operating leases at June 30, 2013 are \$149,000 for the year ending June 30, 2014.

Sponsorship revenues: In December 2006, the Organization entered into a sponsorship agreement with the University, granting the University the right to rent signage space for the benefit of the Organization. Under the terms of the agreement, the Organization will receive sponsorship revenue related to the Arena and other campus venues through June 30, 2017 under agreements entered into by the University with individual sponsors.

During the year ended June 30, 2009, the University and the Organization signed an amendment to the December 2006 sponsorship agreement. Under the terms of the amendment, the Organization will receive sponsorship revenue related to the Arena through June 30, 2019 under the agreement entered into by the University with the sponsor. As the Organization paid for a portion of these costs incurred, the University will reimburse the Organization for such costs until they are fully reimbursed under the stipulation the Organization fulfills its commitment to the sponsorship agreement with the University. The University will deduct all costs incurred relating to the sponsorship revenue earned and distribute 50 percent of the remaining balance to the Organization.

During the years ended June 30, 2013 and 2012, the Organization recognized revenue of approximately \$358,000 and \$302,000, respectively, under the sponsorship agreements, of which approximately \$38,000 and \$19,000, respectively, was remitted to the University and recognized in facility expenses for the years then ended. The associated revenues are included in facility revenue and user fees.

Associated Students of San Diego State University

Notes to Financial Statements

Note 6. Commitments and Contingencies (Continued)

Approximate future income from sponsorship revenue agreements at June 30, 2013 are as follows:

<u>Years Ending June 30,</u>	<u>Amount</u>
2014	\$ 396,000
2015	403,000
2016	438,000
2017	426,000
2018	184,000
Thereafter	195,000
	<u>\$ 2,042,000</u>

Booking agreement: During the year ended June 30, 2007, the Organization entered into a booking agreement with a third party to receive rental compensation for the ability to use the Arena through January 31, 2013. On February 1, 2013, the agreement was renewed through December 31, 2017. Under the terms of the agreement, the Organization will receive a quarterly guaranteed payment of \$100,000. During the years ended June 30, 2013 and 2012, the Organization recognized revenue of \$400,000.

Approximate future income from rental compensation at June 30, 2013 is as follows:

<u>Years Ending June 30,</u>	<u>Amount</u>
2014	\$ 400,000
2015	400,000
2016	400,000
2017	400,000
2018	200,000
	<u>\$ 1,800,000</u>

Note 7. Net Assets, Unrestricted

The Organization has designated all of its unrestricted net assets at June 30 as follows:
