Report on the financial statements

We have audited the accompanying financial statements of the Child Care Fund of the Associated Students of San Diego State University (the “Fund”), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management’s responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Fund’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Fund as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other matters

The reporting entity

As discussed in Note 1 to the financial statements, the financial statements of the Fund are intended to present the financial position and the changes in financial position of only that portion of the Associated Students of San Diego State University that is attributable to the transactions of the Fund. They do not purport to, and do not, present fairly the financial position of the Associated Students of San Diego State University, and the changes in its financial position for the year ended, in conformity with accounting principles generally accepted in the United States of America.

Supplementary information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards on page 13, and the accompanying supplementary information on pages 14 through 28, as required by the California Department of Education, are presented for purposes of additional analysis and are not a required part of the Fund's financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling the information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and in conformity with the CDE *Audit Guide* issued by the California Department of Education. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other reporting required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report, dated November 2, 2017, on our consideration of the Fund's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Fund's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

June 30, 2017

NOTE 1 – NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES

Nature of Organization

The Child Care Fund (the “Fund”), doing business as the SDSU Child Care Center, is a fund administered by the Associated Students of San Diego State University (Associated Students) (a California not-for-profit auxiliary organization of California State University) and accounts for activities associated with offering child care services to students, faculty, staff and members of the community. These financial statements include only the operating accounts of the Fund and are not intended to present the financial position or results of operations of Associated Students.

Associated Students is exempt from federal and state income taxes.

The Fund contracts annually with the State of California for aid. These contracts are funded in part by the federal government through the State of California. Support needed to fund the Child Care program beyond any contract revenue, parent fees and any other miscellaneous sources is obtained from the General Fund of Associated Students and reflected as a transfer from the Associated Students General Fund in the statement of activities. In addition, the Fund is provided certain facilities and other services for its operations by Associated Students.

Future facility and equipment replacement funding requirements are provided for and reflected as a transfer from the Associated Students Designated Fund in the statement of activities.

Basis of Accounting and Reporting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The Fund’s financial statements present net assets and revenues classified as unrestricted, temporarily restricted and permanently restricted. These classifications are based on the existence or the absence of donor-imposed restrictions related to contributions and are summarized as follows:

Unrestricted net assets consist of net assets that are neither permanently restricted nor temporarily restricted by external stipulations.

Temporarily restricted net assets consist of unspent amounts that are subject to specific external restrictions that can be fulfilled by actions of the Fund or by the passage of time.

Permanently restricted net assets consist of amounts received with externally imposed stipulations that the funds be held in perpetuity. Generally, the income earned on such amounts is available for use by the Fund for the benefits of the program.

Unrestricted net assets at June 30, 2017 represent funds that are fully available, at the discretion of management and the Board of Directors, for the Fund to utilize in any of its programs or supporting services. There are no temporarily restricted or permanently restricted net assets as of June 30, 2017.

Child Care Fund of the Associated Students of
San Diego State University

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2017

NOTE 1 – NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES - Continued

Contributions

Contributions, including unconditional promises to give or to provide services, are recognized in the year the promise is made as opposed to when assets are received. Contributions with donor-imposed restrictions are reported as temporarily restricted or permanently restricted contributions. Temporarily restricted net assets are reclassified to unrestricted net assets at such time as the Fund has fulfilled the donor-imposed restriction. Contributions where donor-imposed restrictions both arose and expired in the same fiscal year are reported as unrestricted contributions. During the year ended June 30, 2017, the Fund did not receive any temporarily restricted or permanently restricted contributions.

Cash and Cash Equivalents

The Fund maintains accounts with a financial institution with funds insured by the Federal Deposit Insurance Corporation (“FDIC”). The Fund’s accounts at this institution may, at times, exceed FDIC-insured limits. The Fund has not experienced any losses in such accounts.

Revenues

The Fund generates a significant amount of revenue from providing child care services through state and federally funded programs. State and federal grants are conditioned upon the Fund incurring certain qualifying costs. Accordingly, grant revenue is recognized to the extent that allowable expenses have been incurred, up to the maximum funding provided by the grant. Certified and noncertified parent fees are recognized as revenue as services are performed. Revenues are recorded as unrestricted.

Receivables

Receivables are carried at original invoice amount less an estimate made for doubtful receivables based on a monthly review of all outstanding amounts. Management determines the allowance for doubtful amounts by identifying troubled accounts and by using historical experience applied to an aging of accounts. Receivables are written off when deemed uncollectible. Recoveries of receivables previously written off are recorded when received. The Fund does not charge interest on past due accounts.

Deferred Revenue

The Fund recognizes revenue related to child care services as the services are provided. Accordingly, certain child services fees are received in advance of the service being provided and are included in deferred revenue. Deferred revenue was \$3,812 as of June 30, 2017, and is reported within other current liabilities within the statement of financial position.

Due to (from) Other Funds of Associated Students of San Diego State University

The amount represents the cash owed to Associated Students from the Fund or cash held by Associated Students on behalf of the Fund.

Child Care Fund of the Associated Students of
San Diego State University

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2017

NOTE 1 – NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES - Continued

Equipment

Acquisitions of equipment reduce the net assets of the Fund through a transfer to the Plant Fund of Associated Students. The Plant Fund is not included in the Fund's financial statements.

Deferred Employee Benefits

Associated Students is a member of the California Public Employees' Retirement System (CalPERS), a multiemployer pension system that provides a contributory defined benefit pension and postretirement benefit program for its salaried employees. CalPERS functions as an investment and administrative agent for participating entities within the state of California.

Further information about the pension and postretirement benefit programs can be obtained from the financial statements of Associated Students as of and for the year ended June 30, 2017.

Due to the State Department of Education

The Fund performs an annual earnings calculation as prescribed by the California Department of Education (CDE) to determine the actual revenues earned for the year. The maximum reimbursable amount is adjusted by the percentage of actual operational days to calculate the actual amount earned. The excess amounts received from the state over the actual amount earned are the amount due to the CDE from the Fund and is disclosed as Due to State Department of Education within the statement of financial position.

Expenses

All expenses incurred are for the child care program and there are no other functional expenses categories.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates include, but are not limited to, assessing the collectability of receivables. Actual results could differ from those estimates.

Subsequent Events

The Fund has evaluated subsequent events through November 2, 2017, the date the financial statements were available to be issued, and has determined that there were no subsequent events to recognize in these financial statements.

Recent Accounting Pronouncement

On May 28, 2014, the FASB issued Accounting Standards Update 2014-09, *Revenue from Contracts with Customers*, which impacts the way in which some entities recognized revenue for certain types of transactions. The new standards will become effective for annual reporting periods beginning after December 15, 2018 for private companies. The Fund is currently assessing the potential impact of this accounting standard and the effect the standard might have on its revenue recognition policy upon adoption.

In February 2016, the FASB issued Accounting Standard Update 2016-02, *Leases* (“ASU 2016-02”), which amends the guidance for the accounting and disclosure of leases. This new standard requires that lessees recognize the assets and liabilities that arise from leases on the balance sheet and disclose qualitative and quantitative information about their leasing arrangements. The new standard is effective for fiscal years beginning after December 15, 2019. The Fund is currently evaluating the impact that this new standard will have on our financial statements.

In August 2016, the FASB issued Accounting Standards Update 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities* (Topic 958). The guidance is intended to simplify and improve how a not-for-profit organization (NFP) classifies its net assets, as well as the information it presents in the financial statements about its liquidity, financial performance and cash flows. The main provisions of this update require an NFP to do the following:

- Present net assets in two classes instead of three – net assets with donor restrictions and net assets without donor restrictions.
- Continue to present the statement of cash flows using either direct or indirect methods but no longer require the presentation of the indirect method (reconciliation) if using the direct method.
- Provide enhanced disclosure about:
 - Amounts and purposes of governing board designations;
 - Composition of net assets with donor restrictions and how the restrictions affect the use of resources;
 - Qualitative information about how NFP manages its liquid resources;
 - Qualitative information about the availability of financial assets;
 - Expenses in both their natural and functional classes;
 - Description of cost allocation methods; and
 - Information about underwater endowments disclosing the NFP’s policy, aggressive fair value of the funds, aggregate value of the original gift amount and aggregate amount by which the funds are underwater
- Report investment return net of external and direct internal investment expenses without disclosure of the netted expenses.
- Use of the “placed-in-service” approach for reporting restriction releases for gifts used to acquire or construct long-lived assets.

The new guidance is effective for annual reporting periods beginning after December 15, 2017. The Fund is in the process of evaluating the impact of this standard on its financial statements.

Child Care Fund of the Associated Students of
San Diego State University

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2017

NOTE 1 – NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES - Continued

Income Taxes

The Fund applied the provisions of Financial Accounting Standards Board Accounting Standards Codification 740, *Income Taxes*. Tax positions are not offset or aggregated with other positions. Tax positions that meet the more-likely-than-not recognition threshold are measured as the largest amount of tax benefit that is more than 50 percent likely to be realized on settlement with the applicable taxing authority. The portion of the benefits associated with tax positions taken that exceeds the amount measured as described above is reflected as a liability for unrecognized tax benefits in the accompanying statements of financial position, along with any associated interest and penalties that would be payable to the taxing authorities upon examination. Upon adoption and as of June 30, 2017, the Fund has addressed uncertainty in its income tax position, and there are no unrecognized/derecognized tax benefits requiring an accrual.

All tax-exempt entities are subject to review and audit by federal, state and other applicable agencies. Such agencies may review the taxability of unrelated business income, or the qualification of the organization as a tax-exempt entity under Internal Revenue Code Section 501(c)(3) and applicable state statutes.

NOTE 2 – RECEIVABLES

The Fund's receivables, net, consist of the following at June 30, 2017:

State Department of Education Food Program	\$	8,794
State Department of Education Child Development Program		1,262
Other		4,751
		<hr/>
		14,807
Less allowance for doubtful accounts		-
	\$	<hr/> <hr/>
		14,807

NOTE 3 – FACILITY RENT

The SDSU Child Care Center operates in a facility of approximately 16,000 square feet leased by Associated Students. The lease expired June 30, 2016 but was renewed indefinitely until either party gives a 30-day written termination notice. Associated Students charges the Fund rent at an annual rate of \$1.23 per square foot on a month-to-month basis. Rent expense during the year ended June 30, 2017 was \$19,647.

www.GrantThornton.com

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Child Care Fund of the Associated Students of San Diego State University (the “Fund”), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 2, 2017.

Internal control over financial reporting

In planning and performing our audit of the financial statements, we considered the Fund’s internal control over financial reporting (“internal control”) to design audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express an opinion on the effectiveness of the Fund’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Fund’s financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in the Fund’s internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and other matters

As part of obtaining reasonable assurance about whether the Fund's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Intended purpose

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Fund's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Fund's internal control and compliance. Accordingly, this report is not suitable for any other purpose.
