Independent Auditor's Report on the Financial Statements

The Board of Directors Associated Students of San Diego State University San Diego, California

We have audited the accompanying statement of financial position of the Child Care Fund of the Associated Students of San Diego State University (the Fund) as of June 30, 2007, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Fund's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the financial statements of the Fund are intended to present the financial position and the changes in financial position of only that portion of the Associated Students of San Diego State University that is attributable to the transactions of the Fund. They do not purport to, and do not, present fairly the financial position of the Associated Students of San Diego State University, and the changes in its financial position for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Fund as of June 30, 2007, and the changes in its net assets and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 28, 2007 on our consideration of the Fund's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Fund's basic financial statements. The accompanying schedule of receipts and expenditures of federal and state awards, listed in the table of contents as supplementary information on page 9, is presented for purposes of additional analysis and is not a required part of the Fund's financial statements. The accompanying supplementary information on pages 9 through 21 is presented for purposes of additional analysis as required by the California Department of Education, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements, which are in conformity with the *Audit Guide for the Audits of Child Development and Nutrition Programs* issued by the California Department of Education, and all other laws, regulations and sub-grant requirements. In our opinion, this additional information is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Irvine, California

Notes to Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies

The Child Care Fund (the Fund) is a fund administered by the Associated Students of San Diego State University (Associated Students) (a California not-for-profit auxiliary organization of California State University) and accounts for activities associated with offering child care services to students, faculty, staff and members of the community. These financial statements include only the operating accounts of the Fund and are not intended to present the financial position or results of operations of Associated Students.

Associated Students is exempt from federal and state income taxes. In order to maintain that status, it is precluded from making certain expenditures, principally in support of third parties. Management believes no such expenditures have been made.

The Fund contracts annually with the State of California for aid. These contracts are funded in part by the federal government through the State of California. Support needed to fund the Child Care program beyond any contract revenue, parent fees and any other miscellaneous sources is obtained from the General Fund of Associated Students and reflected as a transfer from the General Fund in the statement of activities. In addition, the Child Care program is provided certain facilities and other services for its operations by Associated Students.

Future facility and equipment replacement funding requirements are provided for and reflected as a transfer to the Designated Fund in the statement of activities.

A summary of significant accounting policies is as follows:

Basis of accounting and reporting: The Fund's financial statements present net assets and revenues classified as unrestricted, temporarily restricted and permanently restricted. These classifications are based on the existence or the absence of donor-imposed restrictions related to contributions and are summarized as follows:

Unrestricted net assets consist of net assets that are neither permanently restricted nor temporarily restricted by external stipulations.

Temporarily restricted net assets consist of unspent amounts that are subject to specific external restrictions that can be fulfilled by actions of the Fund or by the passage of time.

Permanently restricted net assets consist of amounts received with externally imposed stipulations that the funds be held in perpetuity. Generally, the income earned on such amounts is available for use by the Fund for the benefit of the program.

As of and for the year ended June 30, 2007, all of the Fund's net assets have been classified as unrestricted. Unrestricted net assets represent funds which are fully available, at the discretion of management and the Board of Directors, for the Fund to utilize in any of its programs or supporting services.

Contributions: Contributions, including unconditional promises to give or to provide services, are recognized in the year the promise is made as opposed to when assets are received. Contributions with donor-imposed restrictions are reported as temporarily or permanently restricted contributions. Temporarily restricted net assets are reclassified to unrestricted net assets at such time as the Fund has fulfilled the donor-imposed restriction. Contributions where donor-imposed restrictions both arose and expired in the same fiscal year are reported as unrestricted contributions.

Notes to Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies, Continued

Equipment: Acquisitions of equipment reduce the fund balance of the Fund through a transfer to the Plant Fund of Associated Students. The Plant Fund is not included in the Fund's financial statements.

Deferred employee benefits: Associated Students is a member of the California Public Employees' Retirement System (PERS), a multi-employer pension system which provides a contributory defined benefit pension and postretirement benefit program for its salaried employees. PERS functions as an investment and administrative agent for participating entities within the state of California.

Further information about the pension and postretirement benefit programs can be obtained from the financial statements of Associated Students for the year ended June 30, 2007.

Use of estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates include, but are not limited to, assessing the collectibility of accounts receivable. Actual results could differ from those estimates.

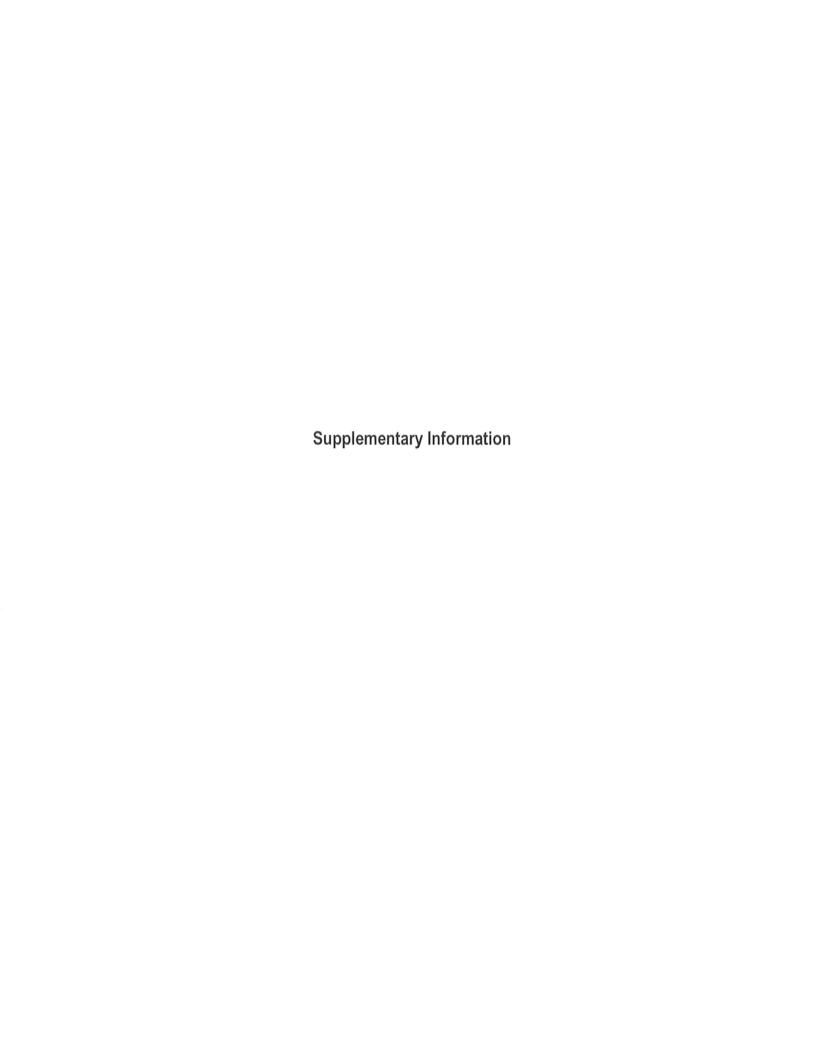

Note 2. Receivables

Child Care Fund receivables, net, consist of the following at June 30, 2007:

State Department of Education:		
Administration	\$	695
Food program		9,911
Parent fees		19,192
Other receivables	-	14,475
		44,273
Less allowance for doubtful accounts		5,054
	\$	39,219

Note 3. Facility Rent

The Children's Center operates in a facility of approximately 16,000 square feet which is owned by Associated Students. Associated Students charges the Fund rent at a rate of \$1.10 per square foot on a month-to-month basis

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

The Board of Directors Associated Students of San Diego State University San Diego, California

We have audited the financial statements of the Child Care Fund of the Associated Students of San Diego State University (the Fund) as of and for the year ended June 30, 2007, and have issued our report thereon dated November 28, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the Fund's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Fund's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Fund's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Audit Committee, management and the State of California Department of Education, and is not intended to be, and should not be, used by anyone other than those specified parties.

None reported.

Summary Schedule of Child Care Prior Audit Findings Year Ended June 30, 2007

A. Reportable Conditions in Internal Control over Financial Reporting for the Year Ended June 30, 2006

None reported.

B. Compliance Findings for the Year Ended June 30, 2006

CF 06-01 Child Care Fund

Condition: The California Department of Education Funding Terms and Conditions require that attendance records include the full signature of the parent or authorized adult who drops off and picks up the child. The Fund utilizes a computer program to track attendance, into which the parent or authorized adult enters in a unique PIN number for the sign-in process.

Effect: The Fund was not in compliance with the attendance recording requirement, as attendance records did not include full signatures.

Recommendation: We recommend that the Fund obtain written authorization from the California Department of Education for the continued use of the computer system to track attendance. If this authorization is not granted, we recommend that the Fund establish a sign-in process, including the full signature of the adult who picks up and drops off the child.

Corrective Action Plan: On October 11, 2005, Associated Students submitted a written request to the California Department of Education for approval of an exception to the policy requiring daily parent sign-in and allowing the use of electronic sign-in for attendance records. On October 26, 2005, the CDE denied the request made by Associated Students. The Child Care Center began a policy of manual parent sign-in on November 7, 2005.
