## **General Information**

#### June 30, 2011

Full official name of the agency: Associated Students of San Diego State University System

Child Development Center Program: Project No. 37-H378-00-9 Contract Nos. CCTR-0247 and CSPP-0449

Type of agency: Auxiliary Organization of the California State University

Address of agency headquarters: 5500 Campanile Drive San Diego, CA 92182

Officers: President—G. Mack Executive Director—D. Cornthwaite Associate Director—C. Brown (All may be reached at the agency headquarters address)

Telephone number: (619) 594-6487

Period covered by the examination: July 1, 2010 through June 30, 2011

Number of days of operation: 242

Scheduled hours of operation each day: For children over the age of 18 months—7:00 a.m. to 6:00 p.m., or 11 hours per day For infants—8:00 a.m. to 4:00 p.m., or 8 hours per day

## Independent Auditor's Report on the Financial Statements and Supplementary Information

The Board of Directors Child Care Fund of the Associated Students of San Diego State University San Diego, CA

We have audited the accompanying statement of financial position of the Child Care Fund of the Associated Students of San Diego State University (the Fund) as of June 30, 2011, and related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Fund's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the financial statements of the Fund are intended to present the financial position and the changes in financial position of only that portion of the Associated Students of San Diego State University that is attributable to the transactions of the Fund. They do not purport to, and do not, present fairly the financial position of the Associated Students of San Diego State University, and the changes in its financial position for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects the financial position of the Fund as of June 30, 2011, and the changes in its net assets and the cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 7, 2011 on our consideration of the Fund's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

2

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of expenditures of federal and state awards, listed in the table of contents as supplementary information on page 10, is presented for purposes of additional analysis and is not a required part of the Fund's financial statements. The accompanying supplementary information on pages 10 through 24 is presented for purposes of additional analysis as required by the California Department of Education, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements which are in conformity with the *Audit Guide for the Audits of Child Development and Nutrition Programs* issued by the California Department of Education, and all other laws, regulations and sub-grant requirements. In our opinion, the additional information is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

#### Notes to Financial Statements

#### Note 1. Nature of Organization and Summary of Significant Accounting Policies

**Nature of organization:** The Child Care Fund (the Fund), d/b/a SDSU Child Care Center, is a fund administered by the Associated Students of San Diego State University (Associated Students) (a California not-for-profit auxiliary organization of California State University) and accounts for activities associated with offering child care services to students, faculty, staff and members of the community. These financial statements include only the operating accounts of the Fund and are not intended to present the financial position or results of operations of Associated Students.

Associated Students is exempt from federal and state income taxes.

The Fund contracts annually with the State of California for aid. These contracts are funded in part by the federal government through the State of California. Support needed to fund the Child Care program beyond any contract revenue, parent fees and any other miscellaneous sources is obtained from the General Fund of Associated Students and reflected as a transfer from the Associated Students General Fund in the statement of activities. In addition, the Child Care program is provided certain facilities and other services for its operations by Associated Students.

Future facility and equipment replacement funding requirements are provided for and reflected as a transfer to the Associated Students Designated Fund in the statement of activities.

#### A summary of significant accounting policies is as follows:

**Basis of accounting and reporting:** The Fund's financial statements present net assets and revenues classified as unrestricted, temporarily restricted and permanently restricted. These classifications are based on the existence or the absence of donor-imposed restrictions related to contributions and are summarized as follows:

**Unrestricted net assets** consist of net assets that are neither permanently restricted nor temporarily restricted by external stipulations.

**Temporarily restricted net assets** consist of unspent amounts that are subject to specific external restrictions that can be fulfilled by actions of the Fund or by the passage of time.

**Permanently restricted net assets** consist of amounts received with externally imposed stipulations that the funds be held in perpetuity. Generally, the income earned on such amounts is available for use by the Fund for the benefit of the program.

Unrestricted net assets at June 30, 2011 represent funds which are fully available, at the discretion of management and the Board of Directors, for the Fund to utilize in any of its programs or supporting services. There are no temporarily restricted net assets or permanently restricted net assets as of June 30, 2011.

**Contributions:** Contributions, including unconditional promises to give or to provide services, are recognized in the year the promise is made as opposed to when assets are received. Contributions with donor-imposed restrictions are reported as temporarily or permanently restricted contributions. Temporarily restricted net assets are reclassified to unrestricted net assets at such time as the Fund has fulfilled the donor-imposed restriction. Contributions where donor-imposed restrictions both arose and expired in the same fiscal year are reported as unrestricted contributions.

#### Notes to Financial Statements

#### Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

**Revenues:** The Fund generates a significant amount of revenue from providing child care services through state and federally funded programs. Revenues are recorded as unrestricted.

**Receivables:** Receivables are carried at original invoice amount less an estimate made for doubtful receivables based on a monthly review of all outstanding amounts. Management determines the allowance for doubtful accounts by identifying troubled accounts and by using historical experience applied to an aging of accounts. Receivables are written off when deemed uncollectible. Recoveries of receivables previously written off are recorded when received. The Fund does not charge interest on past due accounts.

**Deferred revenue:** The Fund recognizes revenue related to child care services as the services are provided. Accordingly, certain child service fees are received in advance of the service being provided and are included in deferred revenue.

**Due from other funds of Associated Students of San Diego State University:** The amount represents the cash held by Associated Students on behalf of the Fund.

**Equipment:** Acquisitions of equipment reduce the net assets of the Fund through a transfer to the Plant Fund of Associated Students. The Plant Fund is not included in the Fund's financial statements.

**Deferred employee benefits:** Associated Students is a member of the California Public Employees' Retirement System (CalPERS), a multiemployer pension system which provides a contributory defined-benefit pension and postretirement benefit program for its salaried employees. CalPERS functions as an investment and administrative agent for participating entities within the state of California.

Further information about the pension and postretirement benefit programs can be obtained from the financial statements of Associated Students for the year ended June 30, 2011.

**Due to the state Department of Education:** The Fund performs an annual earnings calculation as prescribed by the California Department of Education (CDE) to determine the actual revenues earned for the year. The maximum reimbursable amount is adjusted by the percentage of actual operational days to calculate the actual amount earned. The excess amounts received from the state over the actual amount earned is the amount due to the state Department of Education from the Fund.

**Use of estimates:** The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates include, but are not limited to, assessing the collectibility of receivables. Actual results could differ from those estimates.

**Subsequent events:** The Fund has evaluated subsequent events through November 7, 2011, the date the financial statements were available to be issued, and has determined that there were no subsequent events to recognize in these financial statements.

#### Notes to Financial Statements

#### Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

**Income taxes:** The Fund adopted the provisions of Accounting Standards Codification (ASC) 740, *Accounting for Uncertainty in Income Taxes.* The Fund files a Form 990 (Return of Organization Exempt from Income Tax) annually. When these returns are filed, it is highly certain that some positions taken would be sustained upon examination by the taxing authorities, while others are subject to uncertainty about the merits of the tax position taken or the amount of the position that would ultimately be sustained. Examples of tax positions common to the Fund include such matters as the tax-exempt status of each entity and various positions relative to potential sources of unrelated business taxable income (UBIT). UBIT is reported on Form 990-T, as appropriate. The benefit of a tax position is recognized in the financial statements in the period during which, based on all available evidence, management believes it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any.

Tax positions are not offset or aggregated with other positions. Tax positions that meet the more-likelythan-not recognition threshold are measured as the largest amount of tax benefit that is more than 50 percent likely to be realized on settlement with the applicable taxing authority. The portion of the benefits associated with tax positions taken that exceeds the amount measured as described above is reflected as a liability for unrecognized tax benefits in the accompanying statements of financial position along with any associated interest and penalties that would be payable to the taxing authorities upon examination. Upon adoption and as of June 30, 2011, the Fund has addressed uncertainty in its income tax position, and there are no unrecognized/derecognized tax benefits requiring an accrual.

Forms 990 and 990-T filed by the Fund are subject to examination by the Internal Revenue Service up to three years from the extended due date of each return. Management believes Forms 990 and 990-T have been filed appropriately. Forms 990 and 990-T filed by the Fund are no longer subject to examination for the fiscal years ended June 30, 2007 and prior.

## Note 2. Receivables

The Fund's receivables, net, consist of the following at June 30, 2011:

State Department of Education Food Program	\$ 4,651
State Department of Education Facilities Renovation and Repair Program	7,378
Parent fees	8,751
San Diego State University	 15,255
	36,035
Less allowance for doubtful accounts	 1,700
	\$ 34,335

## Note 3. Facility Rent

The SDSU Child Care Center operates in a facility of approximately 16,000 square feet which is leased by Associated Students. Associated Students charges the Fund rent at a rate of \$1.10 per square foot on a month-to-month basis. Rent expense during the year ended June 30, 2011 was \$211,200.

#### Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

The Board of Directors Child Care Fund of the Associated Students of San Diego State University San Diego, CA

We have audited the financial statements of the Child Care Fund of the Associated Students of San Diego State University (the Fund) as of and for the year ended June 30, 2011, and have issued our report thereon dated November 7, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *Audit Guide for the Audits of Child Development and Nutrition Programs* issued by the California Department of Education.

## **Internal Control Over Financial Reporting**

Management of the Fund is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Fund's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Fund's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying Schedule of Child Care Findings and Responses as Finding 11-01.

25

The Fund's response to the finding identified in our audit is described in the accompanying Schedule of Child Care Findings and Responses. We did not audit the Fund's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of management, the audit committee and the California Department of Education and is not intended to be, and should not be, used by anyone other than these specified parties.

McGladrey & Pallen, LCP

Irvine, CA November 7, 2011

Schedule of Child Care Findings and Responses Year Ended June 30, 2011

#### A. Significant Deficiencies in Internal Control Over Financial Reporting

No matters were reported.

#### **B.** Compliance Findings

#### Finding 11-01, Attendance Record Maintenance for California State Preschool Program (CCTR)

**Condition:** There was a missing parent's signature on the sign in/out sheet and the child was counted as having attended.

**Effect:** The condition noted above resulted in noncompliance with the CCTR reporting requirements as specified by the California Department of Education (CDE). There were no questioned costs relating to submission of the incorrect forms during the fiscal year ended June 30, 2011.

**Recommendation:** We recommend that the management implement a process for reviewing sign in/out sheets to ensure all required signatures reconcile to the monthly attendance summaries. We also recommend that each teacher should review the sign in/out sheets for his/her classroom to make sure the necessary signatures are obtained at the end of each day.

Corrective Action Plan: Going forward, Master Teachers will take the lead in ensuring that families sign in and out daily as they greet children at the beginning and end of each day. They will also review the sign in/out sheets for their classroom at the end of their day, to ensure both in/out times and full signatures are present for each child in the classroom daily. They will talk directly to any family who misses a signature. All members of the Front Desk team will be assigned a specific classroom to monitor for attendance. They will conduct monthly reviews of all sign in/out sheets and reconcile attendance records. Any family with a missing or incomplete signature is issued a written warning with a reminder of the importance of completing sign in/out daily as required by our state funded contract. An additional review of attendance records for each classroom will be conducted by another Front Desk team member who will highlight any additional missing signatures that may not have been picked up on previous review. Any page with a missing or incomplete signature will be copied for review by office supervisor who will remove the day from attendance and ensure that CDE is not billed. Attendance summaries will be reviewed at monthly Front Desk staff meetings and families who continue to miss signatures will be identified. A meeting will be scheduled with the cottage supervisor and the office supervisor to reinforce the importance of signing in and out each day in compliance with CDE.

## Summary Schedule of Prior Audit Findings Year Ended June 30, 2011

The following compliance findings were identified during the Fund's financial and compliance audit for the year ended June 30, 2010:

## A. Compliance Findings

## Finding 10-01, Quarterly Reporting for California State Preschool Program (CSPP)

**Audit Finding:** The Fund submitted the incorrect quarterly forms for reporting attendance and fiscal reporting for CSPP during the fiscal year ended June 30, 2010. The Fund submitted a 9500 form rather than an 8501 form, which is the required form for CSPP.

**Corrective Action Taken:** Management implemented a process for reviewing all grant contracts for applicable compliance requirements. Although the Fund did not incur any penalty or fine relating to the submission of these forms during the fiscal year ended June 30, 2010, management will ensure that the correct forms are submitted on a go-forward basis for this program.
