The building is 206,000 gross square feet. In 2010 students voted for a fee increase to build our Union which is designed to receive LEED Platinum Certification for Building Design and Construction, the highest certification by the US Green Building Council. The Union is funded entirely by student fees and receives no State funding. We have 13 meeting spaces, including Montezuma Hall and the Theatre. Sustainable Elements will be pointed out along the tour. You are standing on one of several decorative inlay areas located on 1st floor. In the center is a drain. Water run-off is filtered through an underground Stormceptor that removes debris and pollutants before it heads into the city storm drain.

STOP #1: AZTEC MARKET
The Aztec Market is just one of many food service options within the Union managed by Aztec Shops. Offering grab and go meals, a variety of drinks and beverages and ShakeSmart protein shakes. Aztec Shops manages all food service on campus as well as the Bookstore and all campus Starbucks.

STOP #2: CHIPOTLE/THE HABIT/DINING AREA
Sustainable Features — Radiant Floor, Natural Ventilation, Recycling & Composting
Chipotle Mexican Grill and The Habit Burger are located in the main dining area. This area has indoor and outdoor seating and large glass doors on the west side that open up to provide for natural ventilation.

Our Dining Room has a Radiant Floor that heats and cools the area through the concrete slab where hot or cold water passes through coils and “radiates” through the concrete. The entire west side of all three floors of the Union features Radiant Flooring. Our Radiant Floor installation is currently the largest radiant floor in San Diego County.

STOP #3: STARBUCKS
Our Starbucks is a popular spot for hanging out, studying or meeting up with friends. You can see it has large glass windows to take advantage of Natural Daylighting and the beautiful campus views.

STOP #4: LEE & FRANK GOLDBERG COURTYARD
Sustainable Feature — Rainwater Collection Tanks
The Lee & Frank Goldberg Courtyard is named after two SDSU alum who made a generous donation for student scholarships. Plenty of seating is available in the courtyard. Rainwater runs off the roof and into the collection tanks.

STOP #5: CALIFORNIA COAST CREDIT UNION
California Coast Credit Union offers banking services for the campus and financial seminars for SDSU students. Their sponsorship in naming the “California Coast Credit Union Open Air Theatre” provides much needed support to help renovate the 73-year-old facility.

STOP #6: AZTEC LANES
Sustainable Feature — FSC Wood
Aztec Lanes, our state-of-the-art bowling and gaming facility, features:
• 12 Brunswick bowling lanes
• 8 big screen TVs
• 5 professional billiards tables
• 2 professional table tennis tables
ARC members can enjoy free bowling. Students can take a one-credit ENS (Exercise & Nutritional Sciences) bowling class. Aztec Lanes also offers intercampus league bowling.

The wood used in building the Union is FSC certified, including Aztec Lanes. FSC stands for Forest Stewardship Council, which ensures wood products do not come from clear-cut forests.

STOP # 7: OGGI’S PIZZA EXPRESS
Oggi’s Pizza Express is owned by a family who are proud SDSU alumni. Serving pizzas, salads, wraps and craft beers and wine in an Aztec sports bar environment with multiple televisions and live entertainment on the outdoor patio.
