Most Improved Organization

The Most Improved Organization Award will go to the organization that has made the largest improvement since the 2014-2015 year. It is very hard to choose just one organization that is the most outstanding, so it is necessary to recognize an organization that has come a long way in improving its operations and presence on campus. The criterion includes the same that is necessary for the most outstanding organization: Membership Development, Organization Management, and External Relations. The award will be presented at the College of Business Achievement Awards Ceremony on Tuesday, April 26th, 2016.

In order to qualify, each organization must submit this application with the following information attached.

- All attachments must be typed
- Explain the improvements made in each criterion from 2014-15 to 2015-16.

Please submit your application to the Business Advising Center (EBA 448) by Monday, March 21st to Tita Gray before 5:00pm.
