Dearest Friends, Parents, Teachers, Students and Fellow Readers,

Come celebrate Read Across America Day with SDSU! Join Preschoolers from the SDSU Children’s Center and students in the Child and Family Development Department as they listen to favorite children’s books being read out loud!

Help us bring awareness of the importance of early literacy and celebrate the birthday of Dr. Seuss, the honorary chair of this national event.

Bring your favorite book and a friend to celebrate with us on the Aztec Green, Wednesday, March 2nd, from 11am-12pm.

Oh, the places we can go with books! Join the fun!
